

Uzbekistan’s first Early College Program by AUT

Get a head start on your university journey while you are still in high school

Start your university journey

The AUT Early College Program gives academically strong high school students the opportunity to take university-level courses at AUT before graduating from school.

Students study the same high-quality university-level curriculum offered within AUT’s bachelor’s programs, powered by Arizona State University (ASU).

What will you gain?

Earn university credits

Earn credits before high school graduation

Save time

Complete courses early and reduce your study time by 1 year

Explore your future

Discover your interests and future pathway

Get ahead in your AUT-ASU pathway

Build credits toward the 1+2+1 / 1+3+1 pathway to ASU

Learn from University Professors

Complete courses early and reduce your study at AUT

Build Your Network

Connect and build relationships with professors and students

Get access to ASU Online Courses

Explore additional university-level courses online through ASU Universal Learner Courses

Smooth Transition to University

Dive into university life early, making it easier to adapt once you're officially enrolled

Access to a Global Network

Opportunities for immersion at Cintana Alliance Partnership universities

Build Research Skills

Develop research skills, work on academic projects, and prepare your own paper for publication

Earn an AUT Certificate

Receive an AUT Early College Certificate upon successful completion
